In Minnesota, for every child in an afterschool program, 3 more are waiting to get in. @InsertRepHandle* let's strengthen afterschool in Minnesota! #AfterschoolSuccess

Afterschool programs aren't "extra" curricular. They are essential. They narrow the achievement gap, help working families, and keep kids safe. I support funding for afterschool programs, do you? @InsertHandle (*friends, family, elected officials, etc.*) #AfterschoolSuccess

ZERO dollars in Minnesota state funds have been allocated to afterschool programs since the 2008-2009 school year** @InsertRepHandle, it's time to fund afterschool in Minnesota! #AfterschoolSuccess

I want every young person in my community to reach their full potential, and that's why I support afterschool. Participating in afterschool programs shows results across the board: better attendance, better behavior, and better academic performance. #AfterschoolSuccess
