WELCOME

Hello, Bienvenido, Nyob zoo, Soo dhawoow, Salam Believe & Build Afterschool applicant.

If you’re reading this, chances are you’re passionate about helping young people thrive through the power of afterschool.

That’s something we’re passionate about too.

It’s one of the reasons our team at Ignite Afterschool is excited that the Minnesota Department of Education (MDE) tapped us to administer this new grant program. The grants are part of federal funding from the American Rescue Plan Act, specifically the 1% dedicated to afterschool programs in the Elementary and Secondary School Emergency Relief Fund (ESSER III.)

Another reason we’re pumped is that these grants align with Believe It. Build It. Minnesota’s Guide to Effective Afterschool Practices.

What’s that, you ask?

In 2015, Minnesota’s afterschool community came together to identify our shared values, define the most effective, up-to-date afterschool practices, and outline the steps for continuous program improvement. Out of those efforts emerged Believe It. Build It., a hands-on guidebook to help programs be the best they can be.

Because Believe & Build Afterschool grants are meant to fund evidence-based afterschool, this RFP is centered around the Believe It. Build It. guide, which takes evidence about what makes an effective afterschool program and breaks it down into action steps programs can take to increase positive outcomes for young people.

Through Believe & Build Afterschool, we’ll be disbursing approximately $12.5 million to community-based organizations in Minnesota that provide comprehensive, evidence-based afterschool programs. The grants will range from $125,000 to about $1,250,000 over a 30-month time period.

We especially want to disperse funds to programs that are:

- culturally-specific
- anti-racist and/or focused on equity
- closing opportunity gaps for young people who have historically had less access to afterschool
- serving young people who have disproportionately lost opportunities due to the pandemic

We’ve got a great partner on board to help make this vision a reality — Youthprise. They share our commitment to closing the opportunity gaps experienced by many young people and are a leader in advancing racial equity and youth leadership. Youthprise is experienced in grant-making and capacity-building, so they’re part of the
team shaping the overall process, providing technical assistance, managing reimbursement requests and other key information, and making sure grant recipients are on track to meet requirements associated with receiving federal funds.

To help make the (admittedly somewhat complex) RFP as simple and transparent as possible, we’ve included “good to know” tips throughout to help guide you through the process.

Together we BELIEVE we can BUILD the capacity for AFTERSCHOOL to make a positive impact in the lives of even more young people throughout Minnesota.
GLOSSARY At-A-Glance

Here’s your one-stop-shop for definitions of terminology, jargon and other lingo used throughout this RFP (that one’s on the list too!)

**Afterschool**: For the purposes of this grant, “afterschool” means programs that take place before school, after school and during school-year days off. *It does not include summer.*

**Assurances**: When accepting federal funds, organizations must agree to meet certain obligations, or assurances, regarding how their program is run. You can see the full list of assurances required of *Believe & Build Afterschool* grantees in Appendix B (p. 34-48)

**Community-based organization**: For the purposes of this grant, a community-based organization is a non-governmental nonprofit organization (including local or chartered affiliates of a national nonprofit organization) that’s representative of a community (or significant segments of a community) and provides educational or related services to individuals in that community.

(Updated 10.15.21 for clarity)

**Comprehensive**: For the purposes of this grant, a comprehensive afterschool program is one that 1) has identified the academic, social, emotional and mental health needs of the young people it serves, 2) provides an array of programming strategies and activities designed to meet those identified needs, and 3) provides at least 60 one-hour programming sessions during the school year.

**CPI**: An acronym for “Continuous Program Improvement.” An intentional, ongoing effort to improve program outcomes using data and evidence-based practices. All *Believe & Build Afterschool* grant recipients will be expected to participate in Ignite Afterschool’s *Making Meaning with Multiple Data Sets (M3) CPI cycle.*

**Culturally-specific community organization**: For the purposes of this grant, this is a community-based organization by and for groups of people with a shared experience of marginalization based on race, ethnicity, disability, gender identity or sexual orientation. More than 50% of the board of directors and/or leadership of the organization and more than 50% of the staff reflect the group of people served. These organizations view their program activities and approaches through a cultural lens and affirm/reflect the lived experiences of members of that community.

**Grantee, Grant Recipient**: Used interchangeably to mean organizations that receive funding from a *Believe & Build Afterschool* grant through Ignite Afterschool.

**Historically underserved students**: For the purposes of this grant, this is defined as students who qualify for free or reduced-price lunch, students of color, English language learners, students with disabilities, American Indian, Alaska Native, and Native Hawaiian students, students in foster care, students in correctional facilities, students experiencing homelessness, migrant youth, LGBTQIA+ youth, and rural students
disproportionately impacted by the pandemic. This definition is slightly expanded from a definition provided by the US Department of Education.

**Outcome:** A measurable change in attitudes, behaviors, knowledge, and/or skills of individuals because of participation in your program.

**Partnership:** A collaboration between two (or more) organizations/entities to better achieve the desired impacts and outcomes of the grant. For the purposes of this grant, applicants may have partnerships with other non-profit, for-profit, higher education, public sector entities (i.e. school, city, county), and/or Minnesota’s 11 federally recognized tribes. Each partner’s role in supporting the grant should be clearly described in the grant application.

**RFP:** An acronym for “Request for Proposal.” It’s this document right here, which is Ignite Afterschool’s invitation to programs all across Minnesota to submit an application in order to be considered for a *Believe & Build Afterschool* grant. We hope this RFP will inspire you to submit a proposal through the Youthprise grant portal!

**Technical Assistance:** A wide variety of supports — things like coaching, connecting to resources, consulting support, collaborations — designed to help your program succeed. Technical Assistance will be provided by Ignite Afterschool and Youthprise.
SECTION 1:
BELIEVE & BUILD AFTERSCHOOL GRANT OVERVIEW

Purpose of Believe & Build Afterschool Grants

We want more young people in Minnesota to have access to afterschool programs that support their healthy development. We do this through the lens of strong communities and strong cultural grounding. The Believe & Build Afterschool grants seek to fund comprehensive, evidence-based afterschool programs that address the academic, social-emotional and mental health needs of Minnesota’s young people in kindergarten – 12th grade. We especially want to reach historically underserved students, particularly those who missed academic instruction and a wide range of opportunities during the 2019-20 and 2020-21 school years due to the pandemic.

Is Your Organization Eligible for a Believe & Build Afterschool Grant?

We sure hope it is! Programs must meet ALL of the following requirements to be considered for a Believe & Build Afterschool grant:

✓ Afterschool programming is provided in Minnesota for Minnesota students.
✓ The young people served by the applicant are in one or more of the following grades: K-12
✓ The applying organization, and operating organization, if applying through a fiscal sponsor*, must meet the definition of a community-based organization** (Updated 10.8.2021* and 10.15.21**)
✓ The program must provide a minimum of 60 sessions and each session must be at least 1 hour. This includes before school, afterschool, school release days and weekends, but does not include summer*.
   o Each session must occur on a different day.
   o Sessions may have multiple activities occurring at one time
   o If the program operates at multiple sites, there must be a minimum of 60 sessions per site
   o All youth participants must have an opportunity to participate in a minimum of 60 sessions. (Updated 10.8.2021)
✓ Weekends, but does not include summer
✓ Youth participation in programming is voluntary
✓ Programming primarily engages young people from one or more of the following audiences:
  o Students who qualify for free and reduced-price lunch
  o Students of color
  o English language learners
  o Students with disabilities
  o American Indian, Alaska Native and Native Hawaiian students
  o Students in foster care
  o Students in correctional facilities
  o Students experiencing homelessness
  o Migrant youth
LGBTQIA+ young people
- Rural students disproportionately impacted by the pandemic
  ✓ Program can demonstrate that a majority of young people served are those who missed the most in-person instruction during the 2019-2020 and/or 2020-2021 school years and who did not consistently participate in remote instruction when offered during school building closures
  ✓ Program is able to meet all required assurances (see Appendix B p.34-48)

Good to Know: An organization may apply through a fiscal sponsor. The organization acting as a fiscal sponsor will be the applicant, and must meet the definition of a community-based organization provided in the Glossary At-A-Glance.

Funding Priorities & Funding Amounts

The total amount available for Believe & Build Afterschool grants is approximately $12.5 million over a 30-month period.

At least 50% of grant funds will be awarded to culturally-specific community-based organizations that are by and for groups of people with a shared experience of marginalization based on race, ethnicity, disability, gender identity or sexual orientation.

When we say by and for, we mean organizations where more than 50% of the board of directors and/or leadership and more than 50% of the staff reflect the group that is the organization’s focus. These organizations view their program activities and approaches through a cultural lens and affirm/reflect the lived experiences of members of that community.

Funding must be distributed broadly across the state of Minnesota.

Partnerships with local schools and libraries are encouraged and will receive bonus points during the application review process.

No grant award will be for less than $125,000 over a 30-month period (Year 1: $25,000, Year 2: $50,000, Year 3: $50,000.)

While there is no grant award cap, we do not anticipate making any grant award of more than $1,250,000 over the 30-month period.

The total award amount requested must be reasonable based on the total number of young people served and the type and frequency of programming offered.

Carryover of unspent funds from one year to the next is permitted with approval, but all grant funds must be spent by June 30, 2024.
Allowable Program Activities & Partnerships

*Believe & Build Afterschool* grants are designed to support *comprehensive* afterschool programs that meet the academic, social-emotional, and mental health needs of historically underserved students impacted by COVID-19. Program activities should be based on the needs of the specific group(s) of young people participating in the applying organization’s afterschool program.

**Program Activities**
The following activities and programs are not required, but are expressly allowed:

- Academic enrichment, including tutoring
- Civic engagement and youth leadership, including service learning
- College, career and workforce readiness programs, especially those that partner with in-demand fields
- Community safety, especially in places where the COVID-19 pandemic has exacerbated inequities and increased the number of disconnected young people
- Cultural identity-building activities
- Culturally relevant mental health supports
- Hands-on learning, which may include educational field trips
- Language skill development and academic support for English language learners
- Mentoring
- Outreach to identify, locate and evaluate students suspected of having disabilities and connect them to special education and related services
- Parent engagement events and services
- Physical activity and nutritional education
- Re-engaging disconnected youth
- Social emotional learning
- STEM (Science, Technology, Engineering and Math)
- Visual and performing arts, including music education

*Good to Know: It might help to ask “Which program activities meet the specific needs of the young people we work with?”*

**Partnerships**
Partnering with other organizations is not required, but is allowed. Partnerships should be focused on providing a comprehensive afterschool program and/or meeting the outcomes described in your application.

*Good to Know: Although not required, a partnership with one or more schools and a library is encouraged and will result in bonus points during application scoring.*

Partnerships may also include:
- Afterschool programming that is part of a full-service community school model
Community partnerships and neighborhood programs with other non-profit, for-profit and faith-based organizations and/or public sector partners (e.g., city, county, schools) and including Minnesota’s 11 federally recognized tribes (Updated 10.8.2021)

- Mental health service providers
- Other partnerships that help the grantee provide a comprehensive afterschool program that includes any of the above allowable programs and activities

**Good to Know:** A partner should not receive funding as part of your budget if they already have resources to play their role in the partnership (that’s leveraging!). However, if they need funding to be able to contribute their role to the project, you can include partners in your budget as a “contract for service.”

### Allowable & Unallowable Expenses

**Believe & Build Afterschool** grant funds **may** be used for the following:
- Food for youth participants or parents, **but only if** other federal food programs are not accessible to the grantee. All reasonable efforts must be made to participate in federal food programs such as the CACFP At-Risk Afterschool Meals program. More information can be found [here](#).
- Indirect Costs for the general operation of your organization. If your organization has an approved Federal Indirect Cost Rate, use this rate. If your organization does not have an approved Federal Indirect Cost Rate Agreement, you may request up to a 10% de minimis indirect cost rate. (This means that you can include Indirect Costs in your budget for up to 10% of allowable expenses.)
- Reasonable costs directly associated with providing allowable programs and activities and engaging in allowable partnerships.
- Transportation to and from the program for youth participants. The grantee must follow all state and federal laws and regulations pertaining to the safe transport of students.

**Believe & Build Afterschool** grant funds **may not** be used for the following:
- Agency-level expenses not directly or clearly related to the program
- Capital improvements
- Direct charges for items/services that the indirect cost rate covers
- Entertainment not related to academic or enrichment learning goals
- Fundraising
- Furniture
- Gift cards
- Incentives for youth (i.e. prizes, plaques, t-shirts, field trips not directly related to meeting program goals)
- Land acquisition
- Lobbying
- One-time events not connected to ongoing program objectives
• Out-of-state travel expenses for individuals involved with the project **without prior approval**
• Permanent renovations
• Pre-award costs (incurred before the grant effective date)
• Preparation of the initial grant application, including grant-writer expenses
• Promotional or marketing items (i.e. flags, banners, keychains, etc.)
• Purchase of facilities or vehicles
• Travel expenses for individuals not involved with the grant project

Also **Not Allowed**: Program Fees and Income
Grantees **may not** charge program participation fees. In addition, grantees are **not allowed** to generate program income from the program funded with this grant opportunity.

Before You Apply

√ each action item when complete

- Review the sample grant application (Appendix A, p. 20), which can also be found on Ignite Afterschool’s website.
- Check out the sample scoring rubric (p. 28) to see which criteria are being used to evaluate your application and how points are awarded.
- Make sure you’ve assembled all the information required to complete the online grant application, including all the attachments you’ll need to upload.
Before You Apply: Creating an Account & Checking Eligibility

Before you can enter information in the Youthprise Grant Portal, you'll need to set up an account. Request an account [here](#) by clicking the “Create New Account” button.

*Good to Know: Do not wait until the last minute to set up your Youthprise Grant Application Portal account! It can take up to 24 hours for your account request to process, so do this in advance.*

The *Believe & Build Grant Application* begins with a set of “grant eligibility questions.” Your program must meet all eligibilities (see pg. 7) in order to access to the full grant application.

Once you have access to the online Grant Application Portal, you may:

- respond to the questions in a word document and paste the responses into the grant portal

  -OR-

- type responses directly into the Grant Application Portal. The system follows general Word formatting templates (so bullet points, italics, bold, etc. are available.) You may save your work in the portal and come back later to finish.

Before You Apply: Engaging Partners (Optional)

- The RFP scoring process will award bonus points for a partnership with a school and with a library. You may have one or both partnerships.

- In order to receive the bonus points, you must provide a letter of intent and/or completed partnership form from your school and/or library partner(s). The letter of intent must be on the partner’s letterhead and signed by the appropriate staff person at the partnering organization. It should describe the partner’s role in meeting the grant outcomes and/or providing afterschool activities described in your application. Letters of intent/partnership forms must be uploaded into the grant portal.

  *Good to know: A sample “Partnership Form Template” can be found on the Believe & Build Afterschool page of Ignite Afterschool’s website. Your partner can copy the template onto their letterhead, then complete and sign the form.*

Before You Begin: Completing the Budget Form

Begin by downloading the Believe & Build Budget Form (an excel spreadsheet) which can be found on the [Believe & Build Afterschool page](#) of Ignite Afterschool’s website.

The first tab in the document provides detailed instructions to help you complete the budget form. Here are some important things to note:
• The form asks you to propose a full 30-month budget. Complete a separate column for each of the three years included in the grant term. *Remember, year 1 is 6 months in length, and years 2 and 3 are each 12 months long.*

*Good to know: We recognize that you will make adjustments over the 30-month grant period. There will be opportunities to submit budget revisions.*

• The form asks you to budget your requested grant funds by category (i.e. salary, benefits, contract for service, program supplies, indirect costs, etc.) and to write a brief narrative describing how funds in each category will be used.

*Good to know: Your organization must use your federally approved indirect rate. If you don’t have one, no problem! You may then budget up to 10% of the total requested amount to cover eligible indirect expenses.*

• While the purpose of the budget form is primarily to demonstrate how you plan to spend the requested federal funds, it also provides space to describe other funding sources (if applicable) that will contribute to the program(s) described in your proposal.

• All *Believe & Build Afterschool* applicants are required to budget at least 10% of the total requested amount (excluding your indirect calculation) for evaluation and continuous program improvement (CPI) related expenses. This may include staff time to participate in evaluation and CPI-related activities, a contracted evaluation consultant, software and online tools for collecting evaluation-related data, and evaluation tools like surveys, point of service quality assessments, etc. *Remember, evaluation expenses should correspond to the evaluation activities described in your grant application.*

• All budgets must demonstrate how your organization will ensure staff have access to professional development opportunities. Detail the specific line items that fund professional development in the budget narrative. *Remember, professional development expenses should correspond to the professional development activities you describe in your grant application.*

**Overview of Scoring & Grant Selection Process**

Each application will be pre-screened to ensure the applicant meets minimum eligibility requirements (see p.7)

• Eligible applications will then be reviewed and scored by at least three Community Reviewers using the rubric (see Appendix A). Community reviewers will receive training for their role.

*Good to Know: Who are the Community Reviewers? We intend to include people from a broad range of ages, as well as gender and racial identities, who come from diverse experiences and backgrounds across Minnesota. They may include young*
people (age 15-24) and parents. They may include people who work in youth services, youth engagement and leadership, and education.

- Applicants will be scored on a 100-point scale. Applicants can receive up to 5 bonus points total. (See scoring rubric, p. 28)

- After grants are scored, Ignite Afterschool and Youthprise will identify “grant award finalists” by prioritizing highly scored applications and ensuring both statewide distribution and that at least 50% of funds are awarded to culturally specific community-based organizations as defined in this RFP.

- Grant award finalists must demonstrate that they are stable enough to manage federal funds. Upon request, grant award finalists will need to provide your most recent audit (required for organizations with an annual budget over $750,000). If you do not have an audit, you may provide your most recent IRS 990 or board-approved financial statements.

- Final grant award recipients will be selected after the financial review process and grant award decisions made by Ignite Afterschool are final.

Good to Know: If Ignite Afterschool disapproves your application under applicable state statute or federal programs, you may submit an appeal to Ignite Afterschool with regard to the disapproval by filing a notice and stating the state or federal statutes violated. Please remember that this is an appeal of the process; funding decision are not subject to appeal. You should contact Kari Denissen Cunnien at kari@igniteafterschool.org if you have questions about the process or wish to file an appeal.

Grant Award and Notification

- All grantees who have been awarded funding will be notified by email in January 2022.

  Good to Know: We will always strive to fund an applicant at the full amount requested. However, grant awards may be lower than requested in order to ensure statewide distribution and to meet criteria that at least 50% of funds be awarded to culturally-specific organizations.

- Grant awards are not final until approved by Ignite Afterschool and an award letter/contract is signed through the Youthprise grant portal.

- All grants are subject to the availability of federal funds.
SECTION 3: WHAT TO EXPECT IF AWARDED FUNDS

We get it – being selected to receive federal funds comes with a lot of excitement, but also a lot of rules and requirements. We’ve broken them down in this section to help give you an idea of what to expect if you are awarded a Believe & Build Afterschool grant.

Grant Term & Payment Schedule

Believe & Build Afterschool grants will generally follow a single 30-month grant term, although that may vary based on the specific negotiation of your final grant award agreement.

Here’s how the 30-month grant period breaks down. Note that your organization will be expected to complete a report in each grant year:

<table>
<thead>
<tr>
<th>Year 1 (6 months)</th>
<th>January 2022 – June 30, 2022</th>
<th>Mid-term report due July 31, 2022</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year 2 (12 months)</td>
<td>July 1, 2022 – June 30, 2023</td>
<td>Mid-term report due July 31, 2023</td>
</tr>
<tr>
<td>Year 3 (12 months)</td>
<td>July 2, 2023 – June 30, 2024</td>
<td>Final report due July 31, 2024</td>
</tr>
</tbody>
</table>

Grant payments will be reimbursements of actual expenses. Grantees will submit reimbursement forms to Youthprise monthly indicating the actual amounts of funds spent in each budget category. Youthprise will then make reimbursements within 15 business days of receiving the grantee’s requests. Grantees may apply for a partial advance of grant funds if they have a specific need for an advance payment.

(updated 10.15.21)

Good to Know: Never had a reimbursement-based grant before? Don’t worry – we’ve got you. During the February orientation, we’ll walk you through the steps to do this and will continue to provide support throughout the grant period.

Grantees’ Expectations

Being a Believe & Build Afterschool grant recipient comes with a handful of expectations, as well as supports to help your program best meet young people’s needs. Staff from Youthprise and Ignite Afterschool will be available throughout the process to provide technical assistance and help keep your organization on track.

You can expect to:
✓ Attend the grantee orientation in February of 2022.
✓ Do the awesome work outlined in your proposal! Provide the opportunities for young people and their families as described in your application.
✓ Keep records, documentation and other evidence of actual expenditures. (Examples include timesheets, receipts, invoices for contracted services, etc.)
✓ Participate in site visits.
✓ Collect data required for reporting.
✓ Complete mid-term and final grant reports on time.
✓ Participate in the M3 (Making Meaning with Multiple Data Sets) Continuous Program Improvement cycle.
✓ Continue to comply with all the assurances (see Appendix B) you signed during the application process.

Good to Know: Grantees are required to conduct a background check for all staff who work directly with young people.

Site Visits

During Year 1, Ignite Afterschool staff will conduct a virtual site visit with each grantee. During years 2 and 3, Ignite Afterschool will conduct at least one in-person* site visit during regularly scheduled hours to see programs in action and to check in on data collection procedures.

We also hope to meet staff members and partners (as appropriate) and build relationships with grantees.

Additionally, at least one financial reconciliation visit from Youthprise will take place during the 30-month grant period. When possible, the financial reconciliation visit will take place in conjunction with a Ignite Afterschool site visit. Grantees will be notified in advance of the visit so they can plan appropriately. If needed, we’ll also allow for enough time to develop a plan that lays out any necessary corrective action(s) and follow up on these action steps before final payments are made.

Good to Know: In rare cases termination of your organization’s grant may occur if corrective actions are not successful and grant requirements are not met. We’ll do everything possible to help support you in order to avoid that.

*In-person site visits may be conducted virtually if current COVID-19 guidelines change or other health and safety considerations arise.

Reporting
Grantees are required to submit at least one written mid-grant progress report at the end of years 1 and 2 and a written final report at the end of year 3 through the Youthprise Grant Portal. (see p. 16 for reporting deadlines.)

To prepare for the reports, grantees must collect the following data:

- Participant information, including the number of young people served, how many sessions young people attended, as well as demographic characteristics
- Program site locations and hours of operation
- Activities provided, including activity type, hours of programming provided and frequency of offering
- Track progress towards the outcomes identified in your grant application
- Staffing and professional development, including participation in continuous program improvement (CPI) activities
- Information on partnerships and collaborations

Good to Know: It’s possible that the U.S. Department of Education may provide further clarification on their reporting requirements. If that happens, we will communicate any changes in reporting requirements as quickly as possible.

**Continuous Program Improvement (CPI)**

CPI is an intentional, ongoing process within a culture of learning and reflection that helps programs keep making advances in their work with young people. CPI is not about determining if your program is a success or a failure. Rather it’s about gathering and using information to help you build on what’s working as well as make course corrections that keep your program at its very best. It’s also a key component of *Believe It. Build It.*, which inspired these grants.

All *Believe & Build Afterschool* grantees will participate in Making Meaning with Multiple Data Sets (M3), Minnesota’s CPI cycle during the grant period. The focus will be on celebrating what you are doing well and identifying areas for program improvement that are directly tied to helping young people thrive.

Good to Know: The site visits described above provide a terrific opportunity for your staff to check in with Ignite Afterschool and Youthprise on data collection procedures and build relationships that support evaluation and CPI.

**Assurances**

Carefully read through all the Assurances in Appendix B (p. 34-48). These are legal obligations your organization must be able to fulfill in order to receive federal funding.

Good to Know: If you have questions about the assurances, ask us through the question form here.
The Bottom Line

Ignite Afterschool and Youthprise believe every grantee can be successful and want to bring out the best in each organization’s work with young people. Our organizations are committed to providing technical assistance and working with grantees to identify additional training, peer sharing, capacity building and coaching opportunities that may be helpful to your unique needs.

We want to support you in your work providing high quality afterschool programming to young people in Minnesota, and to help you successfully manage federal funds.

Good Luck!

APPENDIX B: STATE OF MINNESOTA ASSURANCES

In order to be eligible to receive a Believe & Build Afterschool grant, your organization must agree to certain obligations — or assurances — established by the state of Minnesota. Please read this section carefully to ensure that your organization can meet all these requirements.

Assurances required for federal funding

The applicant, by signing the coversheet to the application submitted to Ignite Afterschool, certifies they have read all application documents, including any revised documents. The applicant agrees to comply with the approved application and all federal, state and local laws, ordinances, rules and regulations, public policies herein and all others as applicable.

1. Survival of Terms

2. Use of Funds

The use of funds shall be limited to that portion identified in the application materials and the attached application and by any applicable state or federal laws. Funds may not be used for gifts or novelty items (unless individually and specifically approved by Ignite Afterschool) or for payments to vendors displaying exhibits for their profit. Funds should support the purpose and activities approved in the application. Funds must not be used to benefit the state or Ignite Afterschool, its subcontractors or state employees, or to reimburse them for any of their expenditures, including travel expenses, alcohol purchases, costs of registration fees for training sessions or educational courses presented or arranged, payments to the state, Ignite Afterschool, its subcontractors or state employees for presentations at workshops, seminars, etc., whether on state time, vacation time, leave of absence or any other non-work time.

A. The grantee, in the conduct of activities under this award, shall submit such reports as may be required by written instructions of Ignite Afterschool and/or the state within the times required by it. Ignite Afterschool and/or the state reserves the right to withhold funding if reporting requirements are not met. The grantee must promptly return to Ignite Afterschool and/or the state any unexpended funds not accounted for in the financial report due to Ignite Afterschool and/or the state at grant closeout.

B. The grantee shall present reports to the Commissioner of the Department of Education or the state’s Authorized Representative. At the Commissioner’s discretion, these reports may be presented at departmental, legislative, other state agency or public meetings where the grantee shall be available to explain the project and respond to questions.
C. Reimbursement for travel and subsistence expenses actually and necessarily incurred by grantee in performance of this project will be paid if Ignite Afterschool and/or the state is allowed in the approved budget, provided that the grantee shall be reimbursed for travel and subsistence expenses in the same manner and in no greater amount than in the current “Commissioner’s Plan,” promulgated by the Commissioner of Minnesota Management and Budget (MMB). The grantee will only be reimbursed for travel and subsistence outside Minnesota if it has received prior written approval for such out-of-state travel from Ignite Afterschool. The current Commissioner’s Plan can be viewed to obtain current maximum expense reimbursement rates (http://www.mmd.admin.state.mn.us/commissionersplan.htm). Exceptions to these travel rates are those that may be negotiated with the University of Minnesota.

3. Equipment

Upon termination of the award, Ignite Afterschool and/or the state shall have the right to require transfer or return of any equipment purchased during the award grant period using these grant funds.

A. Allowability of Costs

The allowability of costs for federal funding incurred under this award shall be determined in accordance with the procedures and principles given in the federal Office of Management and Budget (OMB) circulars located in 2 Code of Federal Regulations (CFR), Part 200 and/or as in the approved budget and/or specific legislation.

For all funds, no claim for materials purchased in excess of budget categories or program services not specifically provided for in this award by the grantee will be allowed by Ignite Afterschool and/or the state unless approved in writing by Ignite Afterschool and/or the state. Such approval shall be considered to be a modification of the award. There may be additional limitations on allowable costs, which shall be noted in the award.

A grantee hosting a meeting or conference may not use federal grant funds to pay for food for attendees unless it is necessary and reasonable to accomplish a legitimate meeting, conference business for approved grant activities.
